OBTAINING "CITRIX RECEIVER FOR IPAD & IPHONE" VIA THE APP STORE:

1. Launch the "App Store"
2. Type 'Citrix Receiver' in the search bar, or in the Search tab, and click 'Search'
   a. NOTE: The same Citrix Receiver is used for both iPad and iPhone
3. Select Get or the download icon to the right of CR01 (Citrix Receiver)
4. Once downloaded, either select "OPEN" or look for the Receiver icon on your iPad/iPhone desktop
5. Select "Add Account", (iPad - click on the symbol representing a person, then click on "+")
6. Minimize the keyboard by pressing "Next", then press "Dismiss" (iPad - click on symbol looks like a keyboard
   ⌨).
7. Select "Options" in the lower left-hand corner
8. Select "Manual Setup"
   a. Select 'Web Interface' – the check mark should move to 'Web Interface'
   b. Select the grayed out 'URL or work email' next to 'Address'
      i. Type in https://demicitrix.etenet.com
   c. Select the grayed out 'Account description' next to 'Description'
      i. Type in a meaningful name, such as 'DMC Citrix'
   d. Select "Save" in the top right-hand corner
9. Your iPad or iPhone should automatically take you to the DMC External Application Portal
10. Enter your DMC Login ID
11. Enter your password
12. Then select either "Logon" or "go"

TO START: Launch one of the apps in your "Favorites" by selecting it from the list

<div align="center">

OR

</div>

For iPad:

Select "ALL APPS", and then browse through the list of Applications and Categories until you locate the app you are seeking
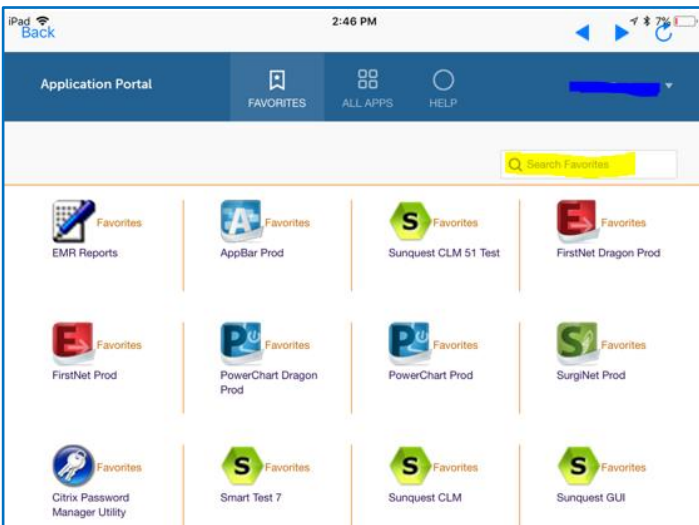

For iPhone:

Select the three bars in the top left-hand corner, select "ALL APPS", and then browse through the list of Applications and Categories until you locate the app you are seeking

NOTE: Select the Search field or the Search icon in the top right-hand corner to quickly find your applications
